The inventory of each user cannot be accessed by anyone else. If you want to find out what a piece of furniture is for, you are going to have to purchase it from your inventory. There is no sharing of items between users; they can only be found in your own private stash.

Users actually generally hate ads on ROBLOX, but they do them anyway for their own benefit and gain. Ads are actually a great way of generating revenue for ROBLOX, mostly because they only show up when you have enough money to be annoyed with the ads.

On October 4th, 2021, Roblox introduced a new game mode called "Elevate", which had players build futuristic skyscrapers in the sky. Players were able to earn money by selling their custom skyscrapers for Robux. It was soon discovered that many of these buildings were copies from the game "Survival Island", prompting ROBLOX to ban users who had copied these buildings.[79]

In response to these criticisms, the ROBLOX website says that "Roblox does not condone the use of unauthorized software programs in games." However, this is not always the case as all users have full access to all of their content. In addition, if a publisher chooses to remove a particular asset from their game they cannot be held accountable for it."

Roblox allows its playerbase to make money through in-game ads. All the buttons can be clicked for additional clicks. The game also uses an in-game currency called ROBUX (Robotix) and replaces it with R\$ (Robux). There are many ways to earn these ROBUX, but the most efficient way is through the sale of items on the game marketplace or through microtransactions. However, your account will be flagged if you decide to do so.

On July 3rd, 2021, ROBLOX announced that they were no longer allowing people to make custom models for their games. Instead, they would be allowing users to build blocky models that could not be edited at all. They stated that this would prevent the creation of custom models and save money by preventing expensive data transfers.[22] The change was made in order to clean up the game because custom models complicates the "Roblox experience" in some cases.

Robux is a great currency, but there are some concerns about it, so here are the concerns about Robux that have been said through forums and complaints. Robux are very difficult to obtain in free roam as bumping players often prevents them from getting any, but it can be easily obtained at gta 5 when you go to "buy weapon" then click on the option on top where you can buy bonuses like point boost, etc.

I like roblox but it is still not better than minecraft in my opinion because minecraft have so much stuff, people can do a lot of stuff. I think Roblox needs to get a lot of money so they can improve more stuff than they already got. I love roblox but I still think that it could be way better, so here is some of my ideas 1. It should have better graphics 2. It should have better game servers 3. There should be more new games, but there is a thing what I don't like about roblox is that the games are kind of the same every single time, and you end up playing them too many times 4. The games should either really get harder or really easier

In late 2021, ROBLOX introduced ChatPads. These ChatPads function like keyboards for players with a webcam. The players can use a webcam to talk with each other as well as guests while playing the game. However, there are no audio chat functions. One feature of the new chatpads is that if you lock your screen when playing game, it will automatically unlock when you tab out from games to bring up your keyboard and chatpad features.
