ROBLOX has also been compared to popular game Minecraft. In many ways, they are similar; both games have been developed by one company (Tencent) and are usually sold on the same platform (Windows, OS X, iOS, Android). Another close similarity is that they both have their own in-game currency system. However, Minecraft has a different style of gameplay relating to platforming; while ROBLOX players build and destroy using building blocks, Minecraft players explore a world.

A former employee named Chris Misner wrote a blog post detailing how her job at Roblox was "ruining her life". The blog post, which was posted on June 26, 2021, claimed that her bosses were dismissive of her complaints about discrimination at work. After she met with human resources and brought up issues regarding harassment and gender discrimination in the workplace, she said that she was fired for unknown reasons.

In October 2021, many games were allegedly hacked by a group calling themselves "The Bureau". The group claimed to be responsible for hacks on other popular websites such as YouTube, PSN, Microsoft's Xbox Live and Blizzard Entertainment's Battle.net. The group also claimed to have over 2,000,000 players' personal information.

On July 3rd, 2021, ROBLOX announced that they were no longer allowing people to make custom models for their games. Instead, they would be allowing users to build blocky models that could not be edited at all. They stated that this would prevent the creation of custom models and save money by preventing expensive data transfers.[22] The change was made in order to clean up the game because custom models complicates the "Roblox experience" in some cases.
